Sky Harbor is one of the most accessible airports in the world thanks to the advice provided by the Phoenix Mayor's Commission on Disabilities.

All terminals have: curb cuts; automatic doors; elevators; ramped access to all lobbies and gate areas; designated areas on inner curbs for vehicles with disability plates to load or unload; and wheelchair accessible telephones, automatic teller machines, restrooms and drinking fountains.

### Wheelchairs

Flying into Sky Harbor? Request a wheelchair when checking in and tell a flight attendant during the flight. Flying out of Sky Harbor? Request a wheelchair from a Sky Cap at the curb or from a Sky Cap or the airline on the ticketing level of the terminal. You can also request wheelchair service ahead of time when you book your tickets with your airline. Ask your airline about traveling with power chair batteries.

\*\* Using a wheelchair or other mobility device? Look for wheelchair accessible pathways and elevators in Terminal 2.\*\*

### Oxygen

If you need to travel with oxygen, be sure to discuss this with your airline when making reservations. The TSA website at <https://www.tsa.gov/travel/special-procedures> for more information.

### Assistive Hearing Devices

Hearing Loop or T-coil technology provides a clearer listening experience to passengers with hearing aids by directly transmitting paging and announcements directly to hearing aids, thus eliminating background noise.

## Accessibility

Assistive T-Coil hearing loops are available in the gate areas of **Terminal 3**. It's important to note that it is not available in the food and beverage, retail, or restroom areas.

Check with your audiologist to see if your hearing aid networks with T-coil service.

### **Assistance Animals**

When making reservations, let your airline know if you plan to travel with a service animal. Get tips on traveling with services animals from the TSA at <https://www.tsa.gov/travel/special-procedures>. Sky Harbor offers nine animal relief areas, including areas in the terminals post-security, listed at <https://www.skyharbor.com/ShopsFoodServices/Services/PetParks>.

### **Accessible Restrooms with Caregiver Access**

Each terminal has at least one family restroom with a private area to change clothing or disposable undergarments. Ask for directions at any Airport Information Desk.

### **Paging Assistance Locations**

The names of those being paged are announced in the terminal and displayed on monitors throughout the Airport. To send or retrieve a paged message, look for Paging Assistance Locations throughout the terminals. Check out the terminal maps for locations at <https://www.skyharbor.com/Maps>.

### **Accessible Phones**

Hearing aid compatible, amplified and text telephones (TTY) available in each terminal on each level and in baggage claim. Contact the Airport through 711 Relay or TTY @ 1-800-781-1010.

### Special Needs Parking

Accessible parking is available in all garages closest to the elevators. In the East Economy lot, accessible parking is available north of the PHX Sky Train Station. In the West Economy Park & Walk, accessible parking is available at the east end closest to Terminal 2.

Over height or oversize parking is available in the uncovered economy parking areas and Oversized Vehicle parking area east of Terminal 4.

### Quiet Room

Did you know that America's Friendliest Airport® offers a place in its busiest terminal for people seeking a quiet setting? The Quiet Room inside the Airport Chapel, pre-security near the B Checkpoint in Terminal 4 offers a quiet space for meditation, prayer or a break from the fast-paced airport environment. Children or adults with an intellectual or developmental disability may visit the Quiet Room inside the Chapel for a respite from the sensory-overload that they might experience when coming to the airport. There is a child-sized table and chairs and quiet activities for children to use in the Chapel space. The hours of operation are 7 a.m. – 8 p.m. daily except Saturday. Hours on Saturday are 7 a.m. – 4 p.m.

### PHX Sky Cart

PHX Sky Cart, a new electric cart service, is available to transport customers who need additional help connecting between Terminal 2 and Terminal 3.

### Dial-A-Ride: A Public Service

Seniors and people with disabilities can access Dial-A-Ride daily from 7 a.m. to 7 p.m. Please call 602-253-4000 or visit their website at [http://www.valleymetro.org/valley\\_metro/dial\\_a\\_ride](http://www.valleymetro.org/valley_metro/dial_a_ride).

### Ground Transportation

Accessible taxi and van service vehicles are available: <https://www.skyharbor.com/ParkingTransportation/TaxisAndShuttles>. Travelers should proceed to the loading location and request one from the curb coordinator. The PHX Sky Train® (<https://www.skyharbor.com/PHXSkyTrain>) provides a fully accessible connection between the Airport terminals and Valley Metro Rail at the 44th Street Station.
