The purchase of certain securities may be required to effect some of the strategies. Investing involves risks including possible loss of principal. Your Credit Union ("Financial Institution") provides referrals to financial professionals of LPL Financial LLC ("LPL") pursuant to an agreement that allows LPL to pay the Financial Institution for these referrals. This creates an incentive for the Financial Institution to make these referrals, resulting in a conflict of interest. The Financial Institution is not a current client of LPL for brokerage or advisory services.
