

**Taxicab Services at Phoenix Sky Harbor
Business Information Meeting (1 of 2) - Monday, May 5 at 1 p.m.
Meeting Questions (See video recording for staff responses)**

1. How many Waymo's are currently operating at the airport?
2. Will there be a limit to the number of Waymo's operating?
3. You mentioned that public safety monitoring is required—could you please clarify what this entails?
4. Is this opportunity available to both rideshare and taxi companies?
5. 85% of new contract is hybrid or electric what does that entail?
6. Will the airport add charging stations to its infrastructure to accommodate this requirement?
7. Will the infrastructure be built by the time the contract starts?
8. How will the 200 base fleet be broken down between the 4 companies?
9. Consider making fleet breakdown 35-35 for small and 65-65 for large.
10. Will the other two large companies function as an owner/operator?
11. Is there a min % of vehicles that must be wheelchair accessible?
12. Consider lowering 10% ADA requirement to 5%.
13. What documentation is required to demonstrate two years of small airport experience?
14. Will an attendance list be posted?
