

Our Safety Culture starts with you!

- ⇒ See something, say something
- ⇒ Identify & report hazards or near misses to your supervisor or airport authority
- ⇒ Be involved
 - ⇒ Provide input and feedback
 - ⇒ Identify poor practices before they become an issue
- ⇒ Innovate
- ⇒ Collaborate
- ⇒ Communicate

AR231—Safety programs

AR2313 Personal Protective Equipment

The City of Phoenix Aviation Department has implemented a Safety Management System (SMS), a systematic approach to managing safety, including all necessary organizational structures, accountabilities, statements, processes, and procedures, such as the Safety Coordinator program.
