

Points to Follow for Paws-itive Passage

Know when to ride

- Don't allow your pet to walk on a moving walkway or escalator. Exception for trained service animals.
- Paws, nails and tails may get caught in grates and harm your pooch.
- Always use the elevator or walk the concourse.

Love the Leash

- Keep it short to protect from carts, luggage, and distracted passengers.
- PHX follows Arizona Leash Laws and you may be subject to a fine (A.R.S. Section 11-1021(B)).

Smile, Don't Socialize

- Say hello to other dogs from afar to avoid potential conflicts.
- People travel for different reasons, so not everyone wants to visit.
- Some dogs are working and aren't allowed to socialize.

One Last Thing....

- Take your dog to the Animal Relief Area before boarding.
- Didn't make it to the Animal Relief Area in time?
Report accidents to 602-622-4132.
- Follow these tips to ensure your pet has the safest paw-ssible travel experience.
